2018 SONOMA COAST PINOT NOIR

Every Flowers wine is made to express the land where it was farmed. Our coastal proximity and high-elevation vineyards give our wine its distinct minerality and fresh acidity. Farmed sustainably, fermented with native yeast and crafted with minimal intervention in the cellar, Flowers Pinot Noir is a pure expression of the rugged and extreme Sonoma Coast.

TASTING NOTES

Inviting and expressive aromas of bright red cherry and lifted savory spice are balanced with hints of ground clove spice and graham cracker. Nuances of graphite and sea salt bring another dimension that come together with a bright acidity driving a long, lively finish.

VINTAGE NOTES

With mild temperatures leading to a long growing season and a surprise-free harvest, the 2018 vintage can only be described as idyllic. Alternating spells of cool and warm weather during bloom led to varying berry sizes, perfect for developing complexity in the wine. Morning fog, afternoon sunshine and a lack of heat spikes throughout the summer allowed for a long ripening period that developed fruit with excellent natural acidity and beautiful flavors.
