

SALVATION

Cabernet Sauvignon

Napa Valley

2019

SOURCING

Salvation is carefully selected from estate vineyards in Napa Valley. Our estate vineyard sits in the heart of the Coombsville AVA, which is both the newest in Napa Valley and one of the furthest South. The region benefits from a long and cool growing season due to its location and proximity to the nearby San Pablo Bay.

TASTING NOTES

Accented by fruit from cooler sites in Napa Valley, Salvation features black currant and wild bramble notes that leap from the glass along with notes of dried tarragon, thyme, and a hint of white pepper. Its structure - framed by a refreshing minerality and integrated oak- is persistent in its ability to hold this wine to a long, savory and memorable finish.
