

SALVATION

Cabernet Sauvignon, Napa Valley
2020

SOURCING

Salvation is carefully selected from estate vineyards in Napa Valley. Our estate vineyard sits in the heart of the Coombsville AVA, which is both the newest in Napa Valley and one of the furthest South. The region benefits from a long and cool growing season due to its location and proximity to the nearby San Pablo Bay.

TASTING NOTES

Accented by fruit from cooler sites in Napa Valley, Salvation features redcurrants and blackcurrants aromas that leap from the glass along with an edge of bright cherry spice and savory dried tarragon. Its structure - framed by a refreshing minerality and integrated oak- along with silky tannins and generous ripe fruit is persistent in its ability to hold this wine to a long, savory and memorable finish.

COMPOSITION

100% Cabernet Sauvignon
