SONOMA COAST ROSÉ

Every Flowers wine is made to express the land where it was farmed. Our coastal proximity and high-elevation vineyards give our wine its distinct minerality and fresh acidity. Farmed sustainably, fermented with native yeast and crafted with minimal intervention in the cellar, Flowers Rosé is a pure expression of the rugged and extreme Sonoma Coast.

TASTING NOTES

Elegant and distinct, with aromas of peach, strawberry and subtle hints of rose petal. Bursts of fresh citrus colorfully drive the palate and are balanced with flavors of nectarine and stone fruit. A silky entrance coupled with fresh and uplifting acidity leaves you with our signature coastal expressiveness.
