

FAUST

NAPA VALLEY — 2019 VINTAGE

A modern classic, unbound by convention

THE WINE

Faust was born to represent a modern portrait of Napa Valley Cabernet Sauvignon. Through relentless exploration, our winemakers are always in pursuit of the undeniable quality and unique style fitting of a modern Napa Valley classic. Faust personifies a sense of passion, ranging from our daring collection of wines to the polished craftsmanship to the artisans who shaped the history and future of our home.

NAPA VALLEY

The defining flavor characteristics of Faust come from a core of fruit sourced from our Faust Vineyard in Coombsville, complemented by grapes from cooler subregions of Napa Valley. This combination of fruit sourcing delivers the unmistakable complexity and intensity of our Cabernet Sauvignon.

WINEMAKING NOTES

“Aromas of chocolate and black cherry are complemented with layers of savory black cherry tart and notes of tarragon. Faust’s bright acidity is combined with mineral notes and fine-grained tannins, resulting in a long, memorable finish.”

-DAVID JELINEK, WINEMAKER

THE ACCOLADES

“Blackberry, blackcurrant, graphite and tar aromas. Crushed stone, too. Full-bodied, yet firm, fresh and bright with a creamy, crunchy finish. One of the best values in Napa appellation designated reds.”

95 points, JAMES SUCKLING
