Vineyards & Winery

BALANCED. ELEGANT. EXPRESSIVE.

WINES THAT TELL THE STORY OF PLACE.

Every Flowers wine is made to express the land where it was farmed. Our coastal proximity and high-elevation vineyards give our wine its distinct minerality and fresh natural acidity. Farmed sustainably, fermented with 100% native yeast, and crafted with minimal intervention in the cellar, Flowers Pinot Noir is a pure expression of the rugged and extreme Sonoma Coast.

2015 SEA VIEW RIDGE PINOT NOIR

Tasting Notes: Bright garnet hue. With a little coaxing, the nose opens with aromas of fresh cranberry, rhubarb and dusty cherry, united with graphite, tobacco, baking and redwood spices. The palate is reminiscent of a juicy Santa Rosa plum, Bing cherry and hint of salinity. Silky tannins and brilliant acidity support the supple fruit. With lovely layering and nuance, this wine unfolds beautifully in the glass.

Varietal Composition: 100% Pinot Noir

Winemaking: Fermented with 100% native yeast in small, open-top stainless steel tanks. The wine is aged in 100% French Oak (30% new) for 18 months. 15% whole cluster.

Vineyards: Sourced 100% from our biodynamically farmed Camp Meeting Ridge Estate vineyard on the extreme Sonoma Coast.
